

## Fall Harvest COVID Protection Plan

- All participants must wear a mask where social distancing is not feasible
- All participants handling candy will wear gloves and masks
- All participants handing out drinks will wear gloves and masks
- Hand sanitizing stations will be available at every station
- Haunted Bus to permit one person at a time. Volunteers will open and close doors and will be gloved.
- NO restrooms available during this time
- Clearly marked signs to show where the direction of traffic should go
- Hayrides will maintain 6 feet of distance unless family units are riding together. Blankets covering the haybales will be sanitized after each ride
