## A Note from Ashley – Connectional Ministry Director

It has been both an honor and a privilege to serve on staff at FUMC. That being said, I am leaving my position at FUMC as Director of Connectional Ministry. This decision did not come easily and involved a lot of prayer and discernment. At this time, I feel God is calling me to focus on my family and schooling. Though I am looking forward to continuing to serve our wonderful Grand Valley, it will not be in the capacity as a staff member at FUMC. Many prayers for the success of the ministries involved at FUMC! "For the Spirit God gave us does not make us timid, but gives us power, love and self-discipline." 2 Timothy 1:7

## Come check out the Grace Space

Wait...What is a Grace Space? The Grace Space is an area now located in our library where mothers can nurse, change their kiddos if need be, or retreat when their littles may need a safe or quiet area on the main floor and near the sanctuary during services, or events. We love seeing our families in church and want to provide them with safe places to come and be part of our village. If you would like to know more, please contact Anna at [familyministry@fumcgj.org](mailto:familyministry@fumcgj.org)

## It All Adds Up

Many thanks to the 58 fabulous FUMC families who have registered their City Market Value Cards with our Financial Secretary, Roxie Denning! By simply shopping at City Market, the Church will receive an awesome check in the amount of \$583.03 for the first quarter of 2021! These generous givers have no loss to their supermarket savings or rewards and an abundant gain with the knowledge that trips to City Market benefit First United Methodist Church.

Extra, extra! If you have not registered your City Market Value Card yet, there is still opportunity to do so! Contact Roxie at [finsec@fumcgj.org](mailto:finsec@fumcgj.org) or call the Church at 970-242-4850, press 4 for the Staff Directory, and press 8 for Roxie. She can happily do the registration for you with no fuss nor bother.

Jump on the Bandwagon! Just as each instrument is needed to make the harmonious music, your contributions help further God's work in our community. It all adds up!
